

BRIEFING NOTES FOR POST GRADUATE WEEKEND PRESENTERS

The Organising Committee welcomes your contribution to the XXII International Congress of The Transplantation Society 2008. In order to ensure your presentation runs smoothly, a number of services and facilities will be provided for you. Please take the time to **read these briefing notes ahead of the Congress** to assist in ensuring your presentation runs smoothly.

GENERAL INFORMATION

Please visit the registration desk when you first arrive at the Congress to collect your name badge and other related materials. From there you will be directed straight to the Speaker's Preparation Room where you will need to check in with the audio visual technicians.

If you have any queries regarding the program or your presentation, please visit the Program enquiries desk in the Parkside Foyer on Level 1. The desk will operate during the following times:

Saturday 9 August	07:00 – 17:00
Sunday 10 August	07:00 – 18:00

SESSION DETAILS - CHECK AHEAD

The Program is subject to change so please ensure you visit the Congress website regularly to confirm details of your session within the Congress Program.

TIME ALLOTTED

Please check the Congress Program to confirm your session time and the time allocated for your presentation.

In the interest of fairness, please ensure that you keep to your allotted time frame.

The Chair will time your presentation and provide you with a warning at **2 minutes** remaining and at time up. You may like to rehearse your presentation with slides in advance to ensure your presentation fits within the allotted time.

SPEAKER PREPARATION ROOM

The Speaker's Preparation Room is located in **Bayside Room 109** on Level 1 of the Sydney Convention Centre and will operate at similar times to the registration desk. The room will be open during the following times:

Saturday 9 August	07:00 – 17:00
Sunday 10 August	07:00 – 18:00

AUDIO VISUAL EQUIPMENT

The following Audio Visual equipment will be in the session room at the Congress:

- One Data Projector
- One PC Compatible computer
- Lectern and Microphone

Overhead and Slide Projection will not be available.

A technician will be available in every session to handle any problems that may arise.

SESSION VENUE – ARRIVE EARLY

Please assemble in your **Session Room at least 10 minutes prior** to the start of the session. This will allow time for the Chairs to liaise with the speakers, explain the seating set up and arrangements for questions/discussion following the conclusion of your presentation.

POWERPOINT PRESENTATIONS

We request PowerPoint presentations to accompany your talk to be emailed prior to the Congress to technical services at transplantation2008@stagingconnections.com

You may wish to provide your PowerPoint presentation on site. If so, please ensure you visit the Speaker's Preparation Room **at least 1 hour** prior to the start of your session.

If you have any questions in regards to this process please email these directly to transplantation2008@stagingconnections.com

SPEAKER PROCEDURES

- Microphones will be on all the time. There is no need to switch them on.
- In the unlikely event of a technical problem, the technician present will attend to the problem and it will be fixed as quickly as possible. While this is being done you should continue with your presentation.
- The Chair will time your presentation and give you a warning when you have 2 minutes remaining and when time is up.

SET-UP

There will be reserved seating for you at the front of the room for the duration of the session. You should sit at these seats where you will be called to the lectern in sequence by the Chair. Delegates will be seated in theatre style.

LANGUAGE

Please note that the official Congress language is English. **All presentations must be made in English.**
